
Professional Summary:

Passionate AI & Data Science student with hands-on experience in web development, machine learning, and artificial intelligence. Dedicated to building innovative solutions and solving real-world problems with creativity and dedication.

Area of Interest:

- Machine Learning
 - Web Development
 - Artificial Intelligence
 - Data Science
-

Education:

- **Bachelor of Technology in Artificial Intelligence and Data Science | 2023-2027**
Dr.Mahalingam College of Engineering and Technology, Anna University, Pollachi | CGPA: 7.9/10
 - **Higher Secondary Certificate | 2023**
Rajalakshmi Ganguswamy Matriculation Higher Secondary School, Udumalpet | Percentage: 67
 - **Secondary School Leaving Certificate | 2021**
Rajalakshmi Ganguswamy Matriculation Higher Secondary School, Udumalpet | Pass
-

Skills:

Technical Skills:

- **Programming Languages:** Java, Python
- **Web Technologies:** HTML, CSS, JavaScript, Node.js, Express.js, MySQL, MongoDB
- **AI / ML Skills:** Machine Learning, Deep Learning, CNN, Data Preprocessing, Model Training
- **Tools & Technologies:** Git, GitHub, Google Colab, Vs Code

Soft Skills:

- Problem-Solving
 - Team Collaboration
 - Communication
 - Decision-Making
 - Adaptability
-

Projects:

Plant Disease Detection

August 2025

- Developed a deep learning model using CNN for plant disease classification. Implemented image preprocessing and prediction using Python. Improved usability with plant health scoring and visualization.

MCET File Manager Application

February 2026

- Developed a secure file management system for MCET. Implemented authentication, file upload, download, search, and organization. Used modern web technologies for an efficient user experience.

AI Chatbot (Own LLM/RAG)

Present

- Developed an AI-powered chatbot using a custom LLM and RAG architecture for intelligent, context-aware responses, enabling accurate information retrieval and seamless user interactions.
-

Internships:

Web Development Intern - Netsaurs

June 2025

- Participated in the development of core product features using full-stack technologies and gained hands-on experience with front end and back-end technologies, version control (Git), and debugging techniques. Collaborated on application enhancements, API integration, database management, testing, and deployment.
-

Certifications:

- Certified in Full Stack Web Development, Udemy
- Certified in Public Speaking, NPTEL
